CERTIFICATE

This is to certify that the School buildings of Laureate Public School at Bharari has been inspected by me along with Junior Engineer concerned on 09.03.2023 and the School authority reported that these buildings are constructed in the year 1993, 2006, 2008 and 2014. These buildings are RCC frame structure, and load bearing structure. The buildings cannot be verified structurally but these buildings appear to be safe visually for occupancy. The structure stability certificate cannot be issued because these buildings have not been constructed by the HPPWD.

This Certificate is issued for the session 2023-24.
