CERTIFICATE

No-SD-1/AE-1/Building Safety Certificate /- 2024- 25-

Date:-

This is to certify that the building of **Laureate Public School Bharari Shimla-171003, HP** has been inspected by the undersigned along with concerned Junior Engineer of Section on dated 26-04-2025.

The building was visually inspected from all angles of safety and is found fit for normal use. During inspection no hair line cracks or deformity was found in the building. As per new guidelines issued by the department of Public Work vide PBW(B) E.395/2019 dated 05-05-2021 vide which it was decided to issue/process NOC in relation to the age of building. Therefore, the NOC is recommended for 1 year for session 2025-26 subjected to the following conditions:-

1. In case any addition/alteration or expansion and modification are done to this building, it is to be carried out under the supervision of qualified Engineer and certificate should be obtained after completion.
2. In case, the building experience any natural/calamity such as earthquake, floods etc, or there is any settlement of walls due to unidentified reason, during these 3 years immediate inspection is to arranged to check the safety of building.
3. This certificate is not valid for any legal cases.
4. The structural stability cannot be issued, as the building is not constructed by the HPPWD
